

ST. ALOYSIUS COLLEGE, EDATHUA

ANNUAL REPORT- SKY UP (2018-19)

'Sky Up' is an innovative programme offered for the students to exhibit their talents in both curricular and extra-curricular activities. The events in the college were mostly organized and conducted by the 'Sky Up' team. At the end of their academic year, the students will change as matured leaders and efficient managers. 'Sky Up' thus brings out the entire potential of the students and makes them confident.

The selection to 'Sky Up' was a bit tough and scientific. Applicants went through written test and Personal Interview. Altogether 20 students from II DC were selected from different departments. A uniform was designed for the team members by the college.

The first assignment of the 'Sky Up' team was the orientation programme of the first year Degree and PG students. The event which they did next was the welcoming of the Swimming Pool Inspection team by providing them refreshments and assistance. It was the 'Sky Up' team who gave a grand welcome to the new manager of our college Rev. Fr. Mathew Chooravady. They took initiative for conducting All Kerala Intercollegiate Debate Competition in our college organized by the Principal's Council of Kerala.

The 'Sky Up' team successfully organized a grand programme as a curtain raiser for the Aloysian Exemplar Contest 2019 with an energetic flash mob and announcement of the launch of the programme. The programme they last did was the Aloysian Exemplar Contest which comprised of four rounds –Written test, Group Discussion, Personal Interview and Stage Performance.

The next venture which they are going to take up is 'Ethnic Day Cum Women's day' on March 21 . The duty for organizing the college day function is conferred upon Sky Up team.
