

ST. ALOYSIUS COLLEGE, EDATHUA

ANNUAL REPORT - SKY UP

The Sky Up offers a platform for the students to hone their talents in curricular as well as extra- curricular activities. The Sky Up team organizes most of the events in the college. By the time they pass out of the institution, the students in Sky Up will be transformed into able leaders and efficient managers.

The activities of Sky Up began on a sad note. The Sky Up organized a condolence meeting in memory of the missile man of India, Dr. APJ Abdul Kalamon 28.7.2015. The Aloysian family paid floral obeisance to the man who ignited the minds and hearts of many. The Sky Up had set up a white board on the campus so that his admirers could jot down their reflections about the demise of this great visionary.

The Onam celebrations of this year were conducted under the able leadership of the members of the Sky- Up. A farewell meeting for the retiring staff was organized on 18.2.2016. This was yet another programme that the Sky Up team conducted.

“The Aloysian Luminary Contest” is a new venture taken up by Sky Up to find out the gems among the outgoing students of our college. The competition consists of many rounds including

written test, Group Discussion and stage performance. The luminaries will be awarded certificates and trophies .
