Minutes of the library Committee held on 11-08-2015

Agenda: Distribution of PD Account fund - Time: 3 pm.

The meeting started with a prayer and the principal welcomed the members and said that the library of a college should be centre spot of importance of any academic institution. The members informed that the Physical conditions of the library is of very low standard mainly because of the caved in floor as a result of which the book shelves are supported by external wooden blocks from beneath to keep them erect.

The committee advised the College Authorities to find a solution for the problem and by making arrangements for leveling the floor.

With regard to the purchase of library books from the PD account of the current year departments of Chemistry, Economics and Oriental languages informed that they were not in need of purchasing books as sufficient number of books had been purchased from the UGC fund. It was then decided to distribute the PD fund for books to the needy departments - Mathematics (~Rs 10,000), Physics (~Rs 10,000), Zoology (~Rs 20,000), and English (~Rs 19,000). The Principal was advised to order sanction for the purchase of the books to the concerned departments on receiving their intimation for purchase.
