I. ST. ALOYSIUS COLLEGE, EDATHUA

1. PROFILE OF THE COLLEGE

St. Aloysius College, Edathua is a first grade college which has completed fifty one years of glorious service to the cause of higher education. Now, it is a well-established NAAC re-accredited centre of learning offering a variety of undergraduate and postgraduate programmes. The Department of Commerce offers facility for research leading to the award of Ph D.

The college is situated in the Edathua Panchayat of the Kuttanad Taluk in the lake district of Alappuzha. It is the only temple of higher learning of the kind in the entire region of the one time granary of Kerala, Kuttanad. Standing atop the main building of the college, there is a panoramic view of the paddy fields, clothed in the richest green. The luxuriant greenery, meandering rivulets and the placid tranquility altogether provide a congenial atmosphere for learning and development.

St. Aloysius College was founded in 1965 by St. Georges Forane Church, Edathua. It was the realization of the vision and far sightedness of late Very. Rev. Fr. Zacharias Punnappadom (the first Manager) and Dr. P.T. Joseph (the first Principal) under the patronage of Servant of God Mar Mathew Kavukattu. The great visionaries had in their mind the noble task of imparting quality higher education in the backward agrarian region of Kuttanad which lacked any facility for higher education. The college, though run by the catholic minority community, admits students of all castes and creeds with due respect to different faiths and religious denominations.

The College had a very humble beginning. It started functioning in St. Aloysius High School as a junior college affiliated to the University of Kerala with 189 students, 9 teachers and 7 non-teaching staff. In 1966, the college was shifted to the present site. The institution owes an immense debt of gratitude to late Very Rev. Fr. Cyriac Kottayil who in his capacity as the manager was instrumental in erecting the main building of the college. In 1983, following the bifurcation of Kerala University, the college came under the jurisdiction of the newly established Mahatma Gandhi University.

To meet the evergrowing demand for higher education in the region,

the college was upgraded in 1977 by introducing undergraduate programme in Economics. Post graduate programme was introduced in 1984.

The College has now grown into a premier educational institution with 73 teaching staff, 19 non-teaching staff and 1149 students on the rolls. It has now to its credit 9 UG and 5 PG programmes.

2. EMBLEM AND MOTTO

THE LANDSCAPE: The top left segment of the emblem depicts the landscape of Kuttanad where the college is situated. St. Aloysius College is the only centre of higher education in Kuttanad.

THE BOOK: The open Book on the right segment stands for the book of knowledge from which generations of students have imbibed the wealth of knowledge to mould their lives as worthy citizens of the land. The beam of light that falls on the book signifies that true knowledge comes from God.

THE LIGHTED LAMP: The lighted lamp symbolizes the light of wisdom which dispels the darkness of ignorance and illiteracy and illuminates the students' mind with wisdom.

MOTTO: The Sanskrit saying at the foot of the emblem: "Let thy divine light shine miraculously" reminds the students of their role to be beacons of light in the society as they have received enlightenment from this centre of higher learning.

3. MANAGEMENT

The College is owned and managed by St. George Forane Church, Edathua and the present manager is Very Rev. Fr. John Manakunnel. The Archbishop of Changanacherry, His Grace Mar Joseph Perumthottam, is the Patron of the College. The aspect of women's progress and development is related to the standard of women's freedom, security, aspirations and above all, dignity. Maintaining the dignity of human life by giving totally conducive physical, social, political and economic opportunities to realize the fullest

The judgment of the Supreme Court of India, Vishaka versus the State of Rajasthan, dated August 13, 1997, makes it legally as well as morally imperative upon all institutions where women are employed, to provide a safe working environment. This landmark judgment makes it clear that each incident of sexual harassment is a violation of fundamental rights of "Gender Equality" and the "Right of Life and Liberty". Another judgment of Supreme Court on 21 January, 1999 (Apparel Export Promotion Council vs. Chopra) has stated that sexually harassing behaviour is incompatible with the "dignity and honour of a female" and needs to be eliminated as there is no compromise on such violations.

In formulating a policy for preventing and redressing harassment, an anti harassment cell functions in the college.
