

ST. ALOYSIUS COLLEGE EDATHUA

Annual Report:2017-18

Profile

St. Aloysius College, Edathua is a first-grade college which has completed more than five decades of glorious service to the cause of higher education. Now, it is a well-established NAAC re-accredited (third phase) 'A' grade centre of learning offering a variety of undergraduate and post graduate programmes. The Department of Commerce offers facilities for research leading to the award of Ph D.

The college is situated in the Edathua Panchayat of the Kuttanad Taluk in the lake district of Alappuzha. It is the only temple of higher learning of the kind in the entire region of the one-time granary of Kerala, Kuttanad. Standing atop the main building of the college, there is a panoramic view of the paddy fields, clothed in the richest green. The luxuriant greenery, meandering rivulets and placid tranquillity altogether provide a congenial atmosphere for learning and development.

St. Aloysius College was founded in 1965 by St. George Forane Church, Edathua. It was the realization of the vision and far sightedness of late Very Rev. Fr. Zacharias Punnappadam (the first Manager) and Dr P.T. Joseph (the first Principal) under the patronage of Servant of God Mar Mathew Kavukattu. The great visionaries had in their mind the noble task of imparting quality higher education in the backward agrarian region of Kuttanad which lacked any facility for higher education. The college, though run by the catholic minority community, admits students of all castes and creeds with due respect to different faiths and religious denominations.

The College had a very humble beginning. It started functioning in St. Aloysius High School as a Junior college affiliated to the University of Kerala with 189 students, 9 teachers and 7 non-teaching staff. In 1966, the college was shifted to the present site. The institution owes an immense debt of gratitude to late Very Rev. Fr. Cyriac Kottayil who in his capacity as the manager was instrumental in erecting the main building of the college. In 1983, following the bifurcation of Kerala University, the college came under the jurisdiction of the newly established Mahatma Gandhi University.

To meet the ever-growing demand for higher education in the region, the college was upgraded in 1977 by introducing the undergraduate programme in Economics. Post graduate programme was introduced in 1984.

The College has now grown into a premier educational institution with 9 UG, 5 PG and 2 PhD programmes. It has now 71 teaching staff, 25 non-teaching staff and 1137 students on the rolls.
