DEPARTMENT OF EEM, ST. ALOYSIUS COLLEGE, EDATHUA

Vol III March 2019

ONAM CELEBRATION

Principal's message

I am happy and privileged to scribble an introductory note on the 3rd issue of Electro Vogue, the news letter from the Dept. of Electronic Equipment Maintenance (EEM). The passion and vivacity, shown by the students and faculty make me suggest a synonym for the department of Energetic and Efficient members.

I assure you the whole hearted support of the college to the Department in all the position initiative taken by it.

Dr. Jochan Joseph

Our department celebrated onam on 5th September 2019 Mr. Sebastian Thomas and Mrs.Rani Mohan gave the onam message. The students organized various competitions

ALUMNI MEET –REVOKE 2K19.

Our department conducted an alumni meet named REVOKE 2K19 on 14th December. Prof. James Sebastian, former HOD of Physics-EEM has inaugurated the function. Dr.Jochan Joseph, Principal presided the function. In this occasion department honoured former senior teachers.

ASSOCIATION INAGURATION

The academic activities of the year 2019-2020 was formally inaugurated by Fr. James Mulackal on 6 August. Abhimanyu K.P, Akshay G & Arjun S Nair (2016-'19) are felicitated the occasion, They secured highest mark in university examination. After the official programme Fr. James Mulackal has taken a class on 'Emotional Intelligence Development'.

Message from HOD

I am so proud of my colleagues and students of the Dept. of EEM. They have stepped up to look at how our department can move in the right direction and be more efficient. " Electro Vogue" is an example of it. Congratulations.

Prof. Rosmin John

Message from the
Editor -in -Chief

College days are unforgettable moments of every student's life, specially when they are coloured by the silver lining of several activities. The department of EEM has given a large share of good memories of our students and this news letter is a snapshot of all the events that have organized here. I remember with gratitude towards everyone of my colleagues, students and well wished who gave their hands and hearts of this publication with great pleasure, let me present before you "Electro Vogue"

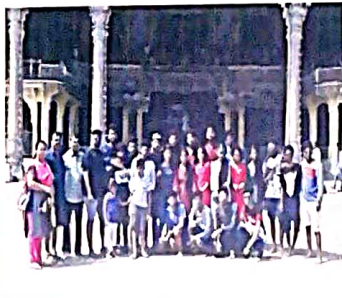

Sebastian Thomas

CHRISTMAS CELEBRATION

The college has celebrated Christmas on 19th & 20th December 2019. Our students actively participated in different competitions such as crib making, star making, santaclaus, greeting card etc. Our department won first prize for crib making and second prize for star making competitions. There were two teams participated from our department for greeting card competition. Akhil Raj & Swathy Krishnan secured first prize and Ananthu T & Sreelakshmi Suresh secured second prize for greeting card competition

TOUR

'We didn't know we were making memories, we were just having fun.'
Our final year student (2017-20 batch) made some wonderful memories by their final year tour with their dearest teachers to Chikkmangalour, Mysore, Coorg.

HAND-HOLDING FOR STUDENTS

Noble and Vijay, students of EEM departments seriously admitted in the hospital due to the severe injury by a bike accident. Our dear aloysian family and alumni whole heartly helped them.

Their friends and teachers from whole college collected money and gave them. We collected and handed over Rs.1,25,000 and Rs.50,000 to Noble's and Vijay's family respectively

HONOURING OUR HOD

'She honored because she holds herself to an ideal of conduct'
Department of EEM honoured our dear HOD Prof.Lizy Mol Xavier for her long inspiring service.

**M.G
UNIVERSITY
RANK HOLDERS**

Our students have achieved a lot in this year. The most notable of these are the two university ranks we got. Mr. Benedict Maria Varghese got the first rank and Mr. Lekshmee Ram got the second rank in the university level in B.Sc PHYSICS-EEM course. This achievement makes both the college and the department proud.

CARRIER GUIDANCE CLASS

Our 2nd DC students participated in an intercollegiate quiz competition conducted by MES college Erumely and won 4th prize.

INDUSTRIAL VISIT

Department of EEM conducted an industrial visit for 1st year and 2nd year students to Idukki Hydroelectric power station on January 18th 2020.

Gratitude

"Electro Vogue" is a humble dream that has come true. It is showing the reflection of our department activities during the academic year. I express my deep felt gratitude to Dr. Jochan Joseph, Principal of our college for the sincere support to the fulfilment our dream. I thank Prof. Rosmin John Head of the department of Physics EEM and the faculty members of Physics department for the support. I can not forget the helping hand offered by our former students in this publication of this News Letter. I express my heart felt thanks to Mr. Sebastian Thomas (Chief Editor), Dept of EEM Benedict Maria Varghese (Student Editor) Ananthakrishnan (Association Secretary) for the great effort behind the successful publication of "Electro Vogue"

Rani Mohan (Co-ordinator)
